A check or envelope of cash in the offertory plate during worship is familiar to us all, but thanks to continually advancing technology, you can choose among **Many Ways to Give** your tax-deductible financial contributions to Saint John in the Wilderness:

You can arrange recurring **Electronic Fund Transfers** of a set amount from your financial institution account directly into St. John's account, just as over forty member households have already done. Simply complete the Vanco Services portion of your pledge card with your information including choice of **monthly transfer on the 1st or 15th** and installment amount.

Many financial institutions offer free **Automatic Bill Pay** on their checking accounts. Contact yours if you wish to set up automatic, scheduled giving to The Church of St. John in the Wilderness, 2175 1st St, White Bear Lake, MN 55110.

For **Credit Card** giving on StJohnWilderness.org, click on **Give** then **Donate** at the top of the home page.

Giving **Stocks** can be an excellent way to support Saint John's and may save on capital gains taxes. Send your broker your written, signed, and notarized request to DTC transfer your specified number of shares of stock(s) [with each company name and stock symbol] from your brokerage account number and title to

National Investor Services Corp.

DTC Clearing 0188, Code 40

F.B.O. TD Ameritrade account name St. John in the Wilderness Church

TD Ameritrade account 885406394

Then email administration@StJohnWilderness.org to advise our Director of Finance and Administration of your gift, to order its sale and request proceeds.

For an **Estate Gift** please contact Jim Petersen of our own Heritage Society, jimpetersen06@comcast.net or 651.260.5402. However you choose to give financially to Saint John's, please complete your pledge card. It is difficult to plan church finances unless our faithful and generous contributors communicate when and how much they intend to give throughout the year in this way. Thank you!
