

Checklist for Returning to In-Person Worship

Engage in the steps below to prepare you and your family for in-person worship.

✓ Checklist for Church Members

AT HOME

	Pray for Trinity, its leaders, your family, and yourself.
	Discuss as a family what to expect and the importance of following guidance.
	Review any recent church communications on reopening policies and procedures.
	Download the Sunday bulletin to your phone (or follow on-screen during service).
	Do not leave home without your mask!
	Visit your bathroom before heading to the church building.
	Wash your hands right before leaving home and immediately after returning.

ASSESS YOUR HEALTH

	Stay home if you or one of your family members is showing signs or symptoms of an illness, especially a fever or cough.
	Stay home if you or others you are staying with may have been exposed to someone suspected or diagnosed with COVID-19.
	If you begin to show signs or symptoms related to COVID-19 following an in-person worship service, contact your primary health provider immediately.

UPON EXITING YOUR VEHICLE

	Mentally prepare yourself for social distancing. Remind children and youth of what this means.
	Keep in mind that you and others will be excited to see everyone. Please wave to each other, no bodily contact.
	Put on a mask; make sure it is correctly secured around the nose and mouth.
	Use hand sanitizer before exiting your vehicle and again before you head home.
	Maintain social distancing as a family unit while entering and exiting the building. Provide others with their needed space.
	Be sure to maintain social distancing in the parking lot and on sidewalks leading to the church.

IN ENTRYWAYS AND HALLWAYS

	Listen for instructions from leaders and volunteers and pay attention to signs providing guidance. Maintain social distancing. Wear your mask at all times.
	Do not congregate in the entryway, lobby, or narthex. Follow directions from ushers.
	Be intentional with grace and patience as you, your family, and others are experiencing various emotions during the new process.
	The handicap restroom will be open only for emergencies.
	Listen for new directives regarding collecting the offering and recording attendance.
	The nursery, office, parlor, kitchen, fellowship hall and basement level will be closed

IN THE WORSHIP SPACE

	If you must leave the sanctuary for any reason, you will be unable to re-enter.
	Be prepared for everything to look different. Be gracious and patient as you, your family and others are dealing emotionally with the changes.
	Ushers will seat you, filling the sections from front to back. Family units must sit together. The nursery and parlor will be closed; children and youth will sit with their families.
	Please remain in your seat until you are directed to exit at the conclusion of the service.
	Wear your mask; keep it secure over your nose and mouth.
	There will be music, but the congregation will NOT sing.
	Participate as directed during responsive readings.
	Communion will not be celebrated.
	Acknowledge your friends and neighbors with a nod or wave. Pray for one another.

EXITING THE WORSHIP SPACE

	Ushers will dismiss you from your pew from back to front. Leave the sanctuary maintaining 6' between you and others. Do not stop to visit.
	The offering box will be in place at the back of the sanctuary. Place your tithes and gifts in the box and continue to exit as guided.
	Keep social distancing through the lobby and parking lot. We will not congregate after the service.
	Do not remove your mask until you have reached your vehicle.
	Sanitize your hands and wash them with soap and water when you arrive home.

On-line services will continue. Adult Sunday School is offered through Zoom. Contact the office for an invitation to attend.

Mission Committee will have cloth masks for sale for a \$5.00 donation with proceeds going to mission outreach.
