MARVEL AVENGERS ENDGAME

Our family is big comic book fans and we are deeply invested in the lives and fights of the Avengers. In the last Avengers movies, the evil villain, Thanos, gains tremendous power and snaps half of creation out of existence. No one is immune to this arbitrary snap; even many of our heroes are blotted out, reduced to dust, and swept away by the wind. Those who are “left behind” find themselves struggling to piece together life with half of the planet wiped off the face of the earth. Some heroes despair. Others work frantically to find the technology or tactic to restore order. [Spoiler Alert, for those who care]. After several years, the Avengers reassemble, defeat Thanos, and welcome back the missing ones. People are, of course, overjoyed to see and be reunited with loved ones and friends. But the memory of the “snap” lingers, and they are left to ponder how to rebuild their new lives.

Jesus was not “snapped” out of existence, but he did die, and his followers despaired. Even when Jesus returned, they were hesitant to believe and wary of his presence. Eastertide is not as much about how to do and be church--that is saved for the time after Pentecost. Instead, we are invited to sit with Jesus. Our old life has gone; death overcome. Even this happy news can raise eyebrows and questions. *What do we do now?*

Several colleagues have compared this pandemic to the plot of *Avengers: Endgame*. Vaccinations are on the rise, and life is slowly opening up! Hallelujah! There is also a sense that life will never return to “how it was.” Even the church is left discerning how we will look/act/serve in a post-pandemic world. I am enormously grateful for our Staff, Session Members, Deacons, and Committee moderators who are asking some tough questions about how Trinity can continue to respond faithfully to God’s call. The church is always in the Endgame, waiting for the day when God’s Realm is fully realized in heaven and on earth.

Christians, assemble!

Peace be with you,
Rev. Meredith Kemp-Pappan

MISSION COMMITTEE

TIME 1PM

Trinity
Presbyterian
Church
4746 SW 21st
(21st & Sims St.)
North Parking Lot

Requirements

OPERATION FOOD SECURE is a nation-wide project to provide free food to those who need it during these difficult times.

The government is buying food from the farmers that would normally go to restaurants so that it doesn't have to be discarded. It is a win-win situation for the farmers and the recipients.

If you would like to volunteer or if you have a truck or trailer to bring, please contact Stan McAdoo, Volunteer Coordinator.

Next drives: May 12 & 26

Trinity began distributing Free School sack lunches in January 2021 to children ages 1 - 18 every Wednesday from 11 am - noon.

This is a USD 501 program that provides each child two breakfasts, two lunches and two milks for the weekend. We distribute every Wednesday that USD 501 is in session and children are attending class in school. This will continue through the last day of school in May.

When school is remote learning, we will not pass out weekend meals as students will receive 7 day meals from a different USD 501 location.

FREE SCHOOL LUNCHES

Ages 1-18 yrs.

Grab 'n Go

WEDNESDAYS

11a - 12p

Trinity Presbyterian Church
4746 SW 21st
(21st & Sims St.)
North Parking Lot

The March 2021 "Buy The Case" program ended with a tremendous success. We delivered 164 cases of food to Doorstep weighing over 2,500 pounds. In addition, we sent \$140.00 to Doorstep to cover undesignated food items.

This year each order went directly to Doorstep, so there was not a time to get a visual picture of all of the food, but each week we added to the Doorstep pantry so that they could provide food to those in need.

Doorstep has thanked the Trinity Congregation for all of the food, and we have thanked Apple Market for giving us a discounted rate on each case, and ordering and providing the food for us to deliver to Doorstep.

When a community that cares about each other and works together, fantastic things can occur. **Thank you for your caring.**

Thank you, Trinity members!

One Great hour of Sharing has collected **\$1,623.85** from our members thus far!

The mission team thanks you for your tremendous generosity! May God's powerful work in the world continue with this outpouring of love.

March 29, 2021 Trinity volunteers walking the neighborhood to let our neighbors know about the free food boxes from Operation Food Secure that are distributed every other Wednesday. What a fun way to get to know our neighbors!

MISSION COMMITTEE

TRINITY VOLUNTEERS SORTING BREAD AT CATHOLIC CHARITIES!

GRAB & GO SUMMER FREE MEALS AT TRINITY CHILDREN AGES 1 - 18

Trinity has been approved to continue as a site for USD 501 for meal distribution when school is out. The USD 501 through the USDA Summer Food Service Program distributes meals to children ages 1-18 when school is not in session.

Households will be able to drive up and receive up a bag with 7 days of meals for each child on Wednesday from 11 a.m. to noon. Distribution begins June 9th.

Two volunteers will be needed each week - at least 1 will pick up and return meals to French Middle School. If you are interested in assisting with this effort, please call Peggy McAdoo, 785-224-5113.

**LIVING GREEN****LIVING GREEN****LIVING GREEN****MORE BIRD FRIENDLY LIVING**

Up to 1 billion birds are estimated to die each year after hitting windows in the U. S. and Canada. By day, birds perceive reflections in glass as habitat they can fly through. At night, migratory birds are drawn by city lights and can collide with buildings.

These simple steps save birds. Install window screens or break up reflections on windows using film coating inside, or string spaced no more than 2 inches apart.

Three-quarters of the world's coffee farms destroy forest habitat to grow coffee in the sun – forests that birds and other wildlife need for food and shelter. Shade-grown coffee preserves a forest canopy for migratory birds to survive the winter, but consumers need to create more demand for this.

Look for shade grown coffee when purchasing coffee products. Shade-grown helps more than 40 species of North American migratory songbirds that winter in coffee plantations.

Shade-grown coffee plantations also tend to be better for both the worker and the environment-- using no chemicals and treating workers appropriately.

You can find some shade grown coffee brands in your local grocery store. Look for "Organic, Fair Trade, and Shade-Grown" coffee companies. For a more extensive list, see the Leafscore website with 12 brands detailed.

<https://www.leafscore.com/eco-friendly-kitchen-products/best-sustainable-coffee-brands/>

PEACEMAKING COMMITTEE**"Changing Lives, One Student at a Time"**

Our friend Wilber "Noe" Chavez is graduating from college in El Salvador this month. His degree is in English and he recently passed the TOEFL exam that demonstrates proficiency in speaking, listening, writing, and reading English. In order to teach English in El Salvador, a passing score on this exam is required.

Congratulations Noé!

Noé has been a recipient of high school and college scholarships from Trinity and he attended the Talpetates school where two teacher salaries are paid with funds from the Trinity budget.

In short, Noé would have been destined to care for the family corn and bean crops for his whole life had it not been for your generous support of the Talpetates mission project.

Dear Trinity Family,
 Thank you for all the cards, calls,
 texts, emails and prayers as I recover from my
 fall. Your response has been humbling. I feel
 better each day and continue to marvel at the
 wonderful healing power of God. **Ann Fincham**

CHRISTIAN EDUCATION

As one of the four Special Offerings of the Presbyterian Church (U.S.A), the Pentecost Offering unites us in a church-wide effort to support young people in Christ and inspire them to share their faith, ideas, and unique gifts with the church and the world. The offering helps our youth begin life with a solid foundation of faith formed early in life, from childhood through young adulthood.

The Pentecost Offering supports a variety of programs:

- ❖ 40% will stay local with Trinity Presbyterian Church. This year, money received will go toward supporting Trinity youth as they do mission work at Heartland Center Work Camp August 1st – 6th. While at Heartland, they will be working each day on a variety of tasks to help improve the campus. This work will help benefit the many youth who will be coming to Heartland Camp in the future.
- ❖ 25% supports Young Adult Volunteers serving in communities around the world and growing as leaders through transformative Christian service
- ❖ 25% supports Ministries with Youth including the Presbyterian Youth Triennium
- ❖ 10% supports devoted to Children at Risk to improve education and provide safe havens

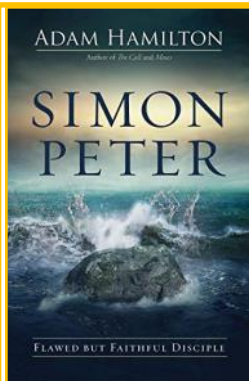

Please consider giving to the Pentecost Offering to support these important activities. You can mail in your offering or drop it off in the offering box at in person worship starting on April 25th.

Trinity Youth helping with Operation Food Secure distribution. Unloading boxes of food to place in vehicles.

CHRISTIAN EDUCATION

SPRING SIX WEEK SUNDAY SCHOOL STUDY APRIL 18 –MAY 23

We invite you to join us in Adult Sunday School to learn how Jesus shaped an uneducated, hardworking fisherman whose flaws included a quick-temper and impetuosity to become the leader of the apostles and missionary to the Roman Empire.

We will begin our six-week study of Simon Peter: Flawed But Faithful Disciple on April 18th. This study will be facilitated by Carrie Lancaster.

SUMMER SUNDAY SCHOOL SERIES JUNE 2021

Ruth, the Immigrant

Carmen Raines, teacher

I'm excited to offer an original bible study to my Trinity family this summer. This project came from my seminary study of Hebrew. When my class translated the book of Ruth, we were asked to create a practical application. I outlined this Bible study.

Recently, I revived the project and applied it to my Missional Imagination course, with the application of a cultural diversity component. The result is a Bible study that focuses on Ruth 2, and finds correlation with the immigrants making their way to the United States across the southern border.

Specifically, we will use PCUSA resources on immigration from the Northern Triangle: Guatemala, Honduras, and El Salvador. By studying the characters of Ruth, paralleled with the situation facing our brothers and sisters to the south, we can find contemporary application of the Hebrew scriptures. I pray that we will find ourselves in the story, and discover how we may be called to action.

I look forward to teaching this study June 6, 13, 20, and 27.

Peace,

Carmen Raines

You are invited to join Adult Sunday school via Zoom every Sunday at 8:45. It's great learning and fellowship in a time where both can fill our hearts. If you are interested in joining us and getting a zoom invitation, please email Carol Thomas at ctmshm@gmail.com.

PAGE TURNERS BOOK STUDY

Join the Zoom meeting at 1:30 on Fridays. The new book we will begin studying soon is *The Book of Longings* by Sue Mont Kidd. If you are interested in joining us and getting a zoom invitation, please email Carol Thomas at ctmshm@gmail.com.

TUESDAYS WITH THE WORD

Tuesday mornings at 9:00am. This is a Zoom fellowship and Bible study time with Pastor Mere. We use the Wired Word as a resource. Join us! Email Pastor Mere at Meredith@trinitypresbyterian.net to get a zoom invitation.

CHRISTIAN EDUCATION

Are you asking yourself what does Adult Sunday School look like via Zoom?

Here is a brief overview of how we spend our time together on Sunday mornings!

8:35- Class opens for a time of fellowship

8:45- We start with a time of sharing joys and concerns followed by prayer

9:00- Facilitator begins with a combination of scripture, discussion and a short video

9:25- Meet in small groups for further discussion of the lesson

9:40- Meet together for final thoughts and closing prayer, ending by 10:00

Sunday School has a variety of components to help us study God's word, share and learn from each other and grow in our spiritual journey. We invite you to please come and join us on Sunday mornings.

Do you have, or know anyone who might have, an upright or chest freezer or a refrigerator that could be donated to Trinity?

If so, please contact

Pastor Mere or Karen at:

mere@trinitypresbyterian.net

karenmeeney@trinitypresbyterian.net

Or, call the church at 272-2620.

Thanks!

If Presbyterians had been in charge of the Last Supper....

2021 GRADUATION SUNDAY MAY 3RD

College Grads

ISABEL ASHLEY is a senior Mass Media major, Chemistry minor at Baker University.

Over the years, she has been involved in Greek life (Alpha Chi Omega), newspaper, radio, theater, and has interned at Kansas Public Radio in Lawrence, as well as, volunteered teaching English at the VIDA Ministry in Topeka.

She is currently looking for media career opportunities in the Kansas City area for post graduation, but is also interested in teaching English to EFL learners abroad someday.

Her favorite Trinity memories were those made in Youth Group, as well as the mentor-mentee program.

Sarah Meenen is a senior at Kansas State University. During her time at K-State she has been involved in Greek Life (Alpha Delta Pi Sorority), served as the Director of Recruitment on Panhellenic Council, was the Vice President of Student Accounting Society, an orientation leader, a College of Business Ambassador, worked at the Rec Center and Powercat Financial on campus, studied abroad in Madrid, Spain, and interned at Cargill Inc. in the Corporate Accounting and Finance department.

She will graduate with a Bachelor of Science in Business Administration. Her major is Accounting and her minor is Spanish. This summer she will be interning at Pricewaterhouse-Coopers (PwC) as a tax intern.

Next year, Sarah will be heading back to K-State to complete the year long Masters of Accountancy program in order to sit for the CPA exam in the spring and summer of 2022.

Claire Stevenson graduated from Topeka West High-school in 2017. From there she attended Kansas State University where she studied biology and planned to be a dentist. While at K-State she was also part of the cheer-leading team.

Claire attended Kansas State for two years. While on the cheer team Claire discovered she enjoyed styling hair and applying makeup of her teammates which lead her to look into the beauty industry. She then attended Bellus academy for cosmetology in Manhattan. She graduated from Bellus June of 2020.

Claire is now in Topeka working as a teller at Lyndon state bank full time, and is at Blondies hair and design part time while she builds her client base.

High School Grads

Alex Lathrop is a senior at Washburn Rural High School. He plans on attending Wichita State University and majoring in Information Technology. Alex has interests in gaming, architecture, city planning and politics. His family consists of a twin brother Ben also a senior at WRHS, and a sister Cat, who is a junior at WRHS, three dogs, seven cats, ten chickens and a couple of fish. "No matter how much irritation they bring me, they are still my loving family.

My most favorite memory from church is when the Triniteens attended a Christian concert at the Sprint Center in KC. I was prematurely born which has caused me to be very short for my age until both my brother and I were given growth hormone injections every day for about three years. I was often teased and sometimes I was even envied by my peers about my height. Even though I knew that I was smaller than everyone else, I never realized how much shorter I was until I grew to a normal height. I guess I never really cared enough to worry about it. This has definitely influenced my current attitude of not caring about trivial matters like popularity or trying to fit in.

When I was younger, I was more interested in ships, especially the Titanic, and space, than in things that other kids enjoyed. If you couldn't tell by now, I am not your cookie cutter high schooler. I have interests in areas like technology, history, and politics other than in sports and social media. This has shaped me into the person I am today, a person with his own mind and ideas."

Ben Lathrop is a senior at Washburn Rural High School. He plans to attend Wichita State University and major in Information Technology and Management Information Systems. Ben has a twin brother Alex, also a senior at WRHS, and a sister Cat, who is a junior at WRHS.

His "other siblings" include three dogs, seven cats, ten chickens and a couple of fish. "The past few years have led up to my entry into college, and my life experiences will no doubt assist me in my endeavors.

Trinity has given me many wonderful experiences that I will cherish throughout my future life. My most favorite memory from church was attending Triennium and meeting many new people from all over the country.

I have also enjoyed many of the activities that the Triniteens participated in. Not only church, but lawn mowing and assisting my fellow church members with various projects, has also been especially rewarding. The next four years will be an exciting time during my development as a productive member of society."

Ben Mulegwa is a senior at Washburn Rural High School. He has four sisters, Manuella also a senior at Washburn Rural High School, Renea (Dada), a sophomore at Washburn Rural High School, Wani, a first grader and Elizabeth, age 4.

Ben played football at Washburn Rural High School. He was born in the Democratic Republic of Congo, precisely in Kinshasa. He moved to the United States in 2016. Ben speaks French, English and Lingala. He plans to attend Washburn University.

"My favorite Trinity memory is ziplining with the youth group."

High School

Manuella Mulegwa is a senior at Washburn Rural High School. She has one brother, Ben, also a senior at Washburn Rural High School and three sisters, Renea (Dada), a sophomore at Washburn Rural High School, Wani, a first grader and Elizabeth, age 4.

Manuella works at Golden Corral. "I was born in the Democratic Republic of Congo, precisely in Kinshasa. We moved to the United States in 2016. I speak French, English, Lingala and Swahili. I plan to go to Missouri Western State University to study Nursing and later on get my Masters in Midwifery.

I love to read and teach the Bible. I participate in The Chosen which is a group of young adults from all around the world which discusses the Bible every night at 8

pm on zoom."

Tate Schoffelman attends Washburn Rural High School. He plans to attend MidAmerica Nazarene University with a major in criminal justice. Tate has two younger brothers, Reed and Cade. Tate has been active in sports at WRHS through swim team and baseball.

This summer he will play baseball with the Topeka Senators and will also play baseball at MNU in the fall.

Tate works at Hy-Vee and is an umpire at Ken Berry. Tate was a peer mentor at school and is active in Triniteens.

"My favorite church memory is going to Purdue University for Triennium."

Kaden Stevenson was born in Topeka, however lived in Barnard, Kansas for a short time before moving to Topeka.

While in Junior High School he became interested in BMX riding and became quite efficient in the sport. He competed in several races including Nashville, Tennessee, Tulsa, Oklahoma and Wichita, Kansas where he was awarded with the number one BMX rider for his region. He has amassed a large number of trophies for his efforts.

While attending Topeka West he was on the Wrestling Team and in the Leadership class for three years. He attended Topeka West High School until last year when the family moved to the Pomona Lake area. He is attending Lyndon High School where he was on the Football Team. He will graduate from Lyndon High in May.

Kaden has not decided on an occupation as yet ,so is going to do some searching prior to deciding on an occupation.

Calling all Triniteens!

Work Camp at Heartland Center is August 1 - 6. We will do mission work around camp in the day and then swim and do a group activity each night (horseback riding, ropes course, etc). On Thursday we will spend the day at Worlds of Fun.

CONTACT KAREN MEEHEN IF YOU HAVE ANY QUESTIONS.

Summer 2021 PNKS Youth Work Camp Registration

Youth are invited to participate in the Presbytery of Northern Kansas' Youth Work Camp at Heartland Center from August 1-6, 2021. It includes the work camp, fun activities at Heartland Center, and a one-day visit to Worlds of Fun. Youth who have completed fifth grade through those who have completed twelfth grade are eligible to participate. We also need adult volunteers to accompany our Presbytery leaders on the trip.

The cost per youth is \$255. The Presbytery will pay one-third of each youth's fee (\$85). We encourage churches that are able to pay one-third of the fee, as well (\$85).

Between churches and youth, a payment of \$170 per youth is due, along with a completed registration form and the two-page Heartland Center Participant Release of Liability and Health Information Form, no later than June 15, 2021. The fee for adult leaders is \$100.

Questions can be directed to Pat Yancey, Commissioned Associate Pastor at First Presbyterian Church of Topeka: pyancey@fpctopeka.org or (785) 233-9601.
