April 17: Easter Sunday: God Moves...Out of the Tomb

Life is full of surprises. With luck, most are the good kind—a chance meeting with a friend on the sidewalk; a secret retirement soiree; an opportunity when it is least expected. Faith is full of surprises, too. The Bible is replete with stories about how God continues to defy human expectations. Perhaps the

greatest surprise is the Resurrection of Jesus Christ. The women go to the tomb expecting to find the body of Jesus when—Surprise!--they discover the tomb is empty and Jesus is risen.

In the weeks after Easter Sunday, our Sunday worship and sermons will focus on the surprising acts of God in the book of Acts. The early Christians whose stories are told in the book of Acts have no shortage of surprises. The resurrection sets off a host of unexpected events and changes for Jesus' followers, even changes within themselves. If our own spiritual lives have come to seem humdrum and everyday, these stories will awaken in us a new desire for God's work in the lives of unsuspecting, ordinary people like ourselves. As we explore the journey of surprises in these texts, we will learn the spiritual habit of welcoming an unpredictable God and coming to expect the unexpected.

Surprise—Christ is Risen!

NEW MEMBER INFORMATION CLASS

March was a big month! It was Trinity's month to provide food to fill Doorstep's food pantry. The pantry provides food free to patrons to help fill their food needs in times when they cannot afford it. Each year Trinity generously steps up to help. 2022 was no exception. Once again, our Buy The Case program has made a significant impact on Doorstep's food program. As of 3/20/22, we have raised \$2,157.57 for the purchase of food for Doorstep! **WAY TO GO TRINITY!**

A BIG THANKS FOR ALL THE SUPPORT FOR THIS MISSION PROJECT.

Match Challenge Met, Goal Still Attainable

The Match Challenge for March was met which means \$40,000 toward the goal to replace the HVAC system was reached. With \$25,000 remaining donors are still needed to get to the finish line by May 31st!

Amid rising gas and electric costs, the new system will allow increased efficiency to allow savings on the cost to heat and cool the building. Please consider donating to the HVAC upgrade project. Any funds over what is needed for the purchase and installation of the new HVAC system will be used towards additional rent and utility assistance for our neighbors in need. Please send donations to: Doorstep, Inc., 1119 SW 10th, Topeka, Ks 66604. You can also visit the website: www.DoorstepTopeka.org and donate through PayPal. Make sure to note the HVAC fund on any donation you send for this project.

WHAT'S HAPPENING IN EL SALVADOR

As COVID cases drop in El Salvador, school in Talpetates is once again "in person." Plans are being made for a trip to visit Talpetates this summer. The Peacemaking Committee is always on the lookout for members and friends of Trinity who would be interested in visiting El Salvador to see the relationship we have with the village and how that relationship affects school opportunities and healthcare in the village. If you're ready to see what Trinity's "walking with the people of El Salvador" looks like, consider being part of this year's delegation.

For more information about the trip, contact Anton Ahrens at 785-232-2060 or antonf58@att.net

GREEN

IT'S SPRING CLEANING TIME!

And what better way to have your home really clean but to utilize natural green cleaners instead of commercial ones. Plus it helps keep toxic chemicals out of your home as well. The EPA indicates that many cleaners contain volatile organic compounds (VOCs) which are suspected or known to cause cancer in humans.

GREEN SPRING CLEANING For Your Home & Planet

5 basic ingredients will tackle most jobs:

White vinegar, Baking soda, Club soda, Lemon juice, Liquid castile soap

All-purpose cleaner: 1/2 tsp baking soda and a dab of castile soap into a spray bottle with 2 cups of very hot tap water. Shake to dissolve. Spray will keep indefinitely.

Bathroom cleaners: Scouring scrub - combine 1/2 cup baking soda with enough liquid soap to achieve a frosting-like consistency. Optional - add 5-10 drops of an essential oil for fragrance. Club soda works wonders on plumbing fixtures.

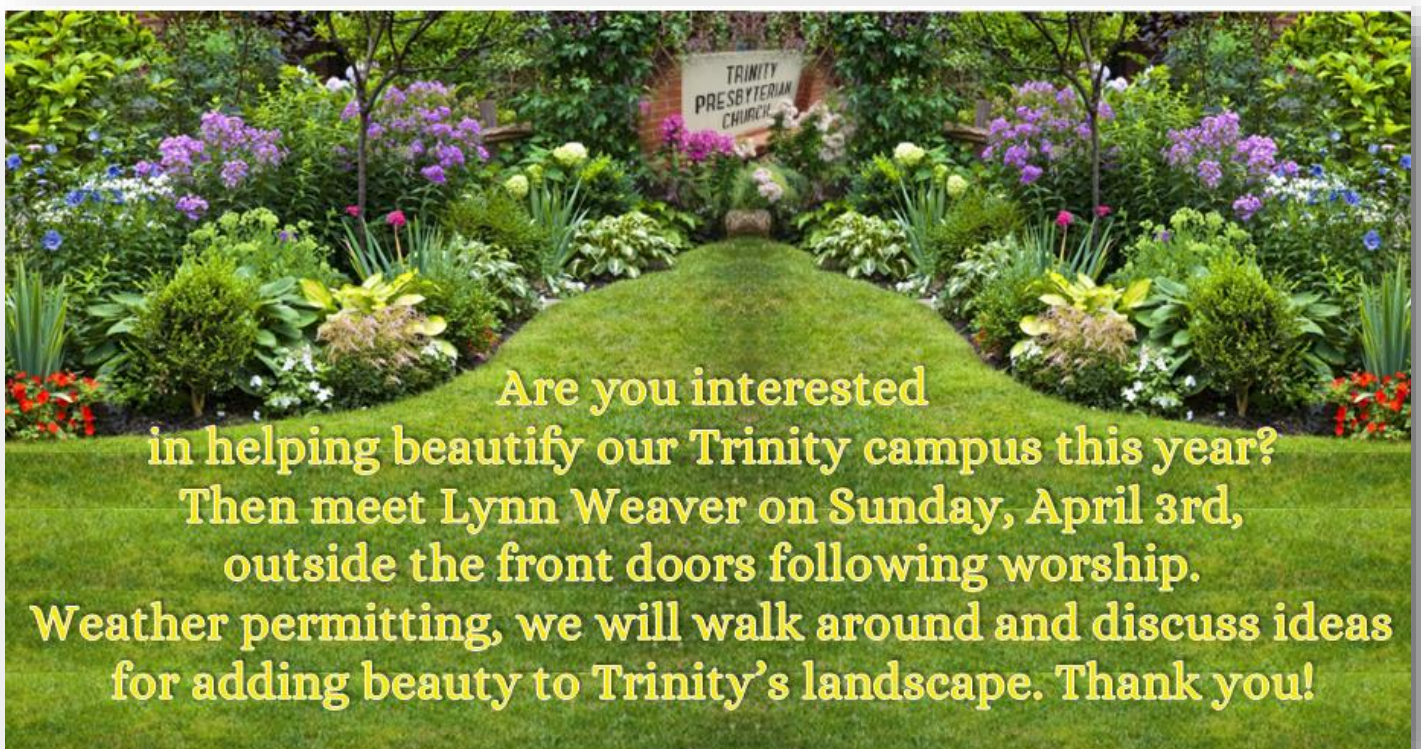

Toilet cleaner: Sprinkle baking soda or pour white vinegar into the toilet, and let sit for a few minutes. Scrub with toilet brush.

Glass cleaner: Use club soda in a spray bottle and scrub with terry cloth cotton. Add 1 tsp of lemon juice to increase your window's degreasing power.

Happy Cleaning!

WHAT IS A QUETZAL?

The resplendent Quetzal is a rare bird, mysterious and hidden, one that few people in the world have seen. For years, people of Central and South America have sought them out, hoping for a glimpse of this beautiful and secret treasure of God's creation. To look upon a Quetzal is to be a part of something miraculous and unexpected. The marvelous creature is a symbol of freedom for the ancient Maya people, and in fact, the Quetzal cannot live in captivity. It must be free. This timeless and unique creature of God invites our curiosity and our quest for that which is beyond our fingertips; for that which is transcendent. The flight pattern of this bird is a continuous string of hills and valleys much like the inner journey of the spiritual seeker. The Quetzal inspires; it brings hope, life, freedom, and wonder.

As a Matthew 25 church, we are continuing to learn more about how to bring justice to our community...Micah 6:8, "What does the LORD require of you? To do justice, to love mercy, and to walk humbly with your God."

ADULT SUNDAY SCHOOL

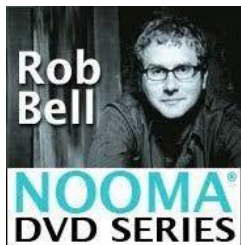

We want to thank Ashley Hennessy for the time she spent with our Adult Sunday school class. Ashley shared her experiences and successes with the Oxford House model right here in Shawnee County as well as the state of Kansas and the nation. Oxford Houses are a proven strategy that helps to provide social support, reliable employment, and stable housing for those overcoming addiction. The Oxford Houses will receive \$261,000 from the Kansas Department of Aging and Disability Services (KDADS) over the next two years which leads to up to 14 new houses and 100 new beds. This all came about with the commitment from Andy Brown with KDADS and the mental health initiative through Topeka JUMP. Thank you Ashley, for keeping us informed!
