

PURELY ME

Inside and out,
up and down,
and all around.

On the outside you see:

Examples: brown eyes, black hair in braids, long feet, glasses, lots of purple, a soccer player

On the inside you will find:

Examples: curiosity, kindness, fear of bugs, love for reading, sadness for my grandfather, excitement for my next sibling

And something you might not know about me by looking is:

Example: I want to be an actor when I grow up.

And that is ME! **Purely ME!**

And God **LOVES** every part.
