POAMN'S MISSION

OUR MISSION

Presbyterian Older Adult Ministries Network (POAMN) promotes the development of older adult ministries and the value of such ministries. POAMN's mission includes nurturing the faith community, equipping leadership, and resourcing congregations and other organizations that minister to, for, and with older adults. POAMN seeks to encourage ministries that affirm the dignity and value of the multiple generations of aging adults with a focus on spirituality, wellness, care, and social involvement. Its purpose is to educate, advocate, develop and share resources, and train leaders by raising awareness around issues facing aging adults and those who serve those aging adults, all in a covenant relationship with the Presbyterian Mission Agency of the Presbyterian Church (U.S.A.).
