Please check the following volunteer opportunities you would be interested in.

- Room Mom (Coordinates all parties and volunteers. An informational meeting will be held to go over all of the details.)
- General Volunteer
- I would like to bring food or goodie bags for parties.
- I would like to help with party setup and cleanup.
- I would like to read to my child's classroom.

In an effort to simplify the "sign-up" process for volunteering, we will be using the "Sign-up Genius" website. This will make coordinating volunteers and keeping up with your designated volunteer times much easier! The Room Mom from each classroom will be responsible for creating and managing these signups. Details will be provided at the Room Mom Meeting.
