

Mutual Invitation

Developed by Rev. Eric Law

Read the following directions to the group:

In order to ensure that everyone who wants to share has the opportunity to speak, we will proceed in the following way. The leader/convener will share first. After that person has spoken, he or she invites another person to share. The person whom you invite does not need to be the person next to you. After the next person has spoken, that person is given the privilege to invite another person to share. If the person invited does not wish to say anything, that person simply says "pass" and proceeds to invite another to share. This process is followed until everyone has been invited to speak.

The person's birthday that is closest to the day will start first.
