

**Job: Pastor  
Stanton Reformed Church,  
[www.stantonrc.org](http://www.stantonrc.org)  
Hunterdon County, NJ**

Here at Stanton Reformed, Hospitality is our Heart. In 2019 we adopted an ambitious Welcome Statement in an effort to create an expression of our mission of hospitality that we could live and grow into. We put that Statement prominently on the front page of our website and created an All Are Welcome working group to push us and challenge us as we grow our understanding and gifts of hospitality.

Our excellent music program sets the stage and creates the atmosphere for our worship and warm community life. We value traditional worship with a blend of chancel choir, bell choir, instrumental music by our members as well as outside ensembles.

We are thrilled to have a solid group of families with young children who want to raise their children in faith. Our next pastor will guide us into the next season of spiritual growth, for individuals, families and children of all ages.

We look forward to partnering with our new Pastor as we learn and live into our new mission statement: *We see God's light in every person. Through faith, worship, fellowship, and hospitality, Christ calls us to affirm, accept, and embrace all who enter our doors.*
