- prayer ideas
- children's bulletins with RCA
- Skittles prayer and a small bag of skittles
- Faith 5 bookmark
- prayer cubes (for meals or bedtime)
- Flat Jesus
- Service suggestions for your family this month
- Bible suggestions and apps (age appropriate)

Older children/youth Sunday school idea: Adults sharing stories of faith -

- Pre-record an adult sharing their 10-15 minute story and put it in the church google drive.
- Link is sent out at the beginning of the week and then the group joins on Zoom Sunday morning at 10:00 for Q&A with the speaker
- Then breakout groups to discuss where they saw God in the story, what connections they have with the story, and what they will do differently now that they have heard this story.

Fellowship ideas (socially distant, without computers)

- movie night
- car bingo
- Trivia
- story time

Montreat@Home Resource has been a great experience that we will keep using for the fall
