- Advent on the Brain Facebook group
-

Ideas:

- I matched congregation members with students for making Back to School Blessing post cards. I'm trying to think about maintaining those relationships through the Advent season.
- I was thinking of a thing called “Advent to Zoom” Advent A-Z.
- For my mostly adult congregation we will send an Advent Wreath & devotional Box home for celebrating Advent
- Using a Jesse Tree as the Advent devotional
- Nativity bracelets or paintings
- Participate in a live or recorded nativity
