- Prayer wall outdoors for people to interact with from community.
- Mapline.com to map out deliveries--one church asked their local Meals on Wheels to help them map!
- One congregation's leadership made a decision to be virtual through Easter 2021 so that they could clear the way to plan. This gave them peace and an ability to move forward.

Cross-Generational

- Last year during Lent I invited those older folks in our church who like to sew to make finger labyrinths for the children. Some were also shared with seniors too. Here is the link to Building Faith where Sue describes the labyrinth and includes her pattern (which is the one we used). <https://buildfaith.org/a-finger-labyrinth-project-for-all-ages/>
