Free Covid-Safe Outdoor VBS for Families

- <https://storyboardingchurch.wordpress.com/>

Music

- If you aren't singing--maybe use energizers to add music?!
- Boomwhackers and other percussion or bells

Safety Protocols

- Rented a giant tent
- Masks
- Having kids bring a beach blanket for natural distancing
- Another idea shared--using parking spaces
- Create sit-upons for outdoor seating: <https://www.youtube.com/watch?v=fgV-LFaHp7I>

Timing Considerations

- Once a week?
- Series of small groups that go for one week together
- One weekend

Some things to consider:

- Are we opening to the whole community, or just to our members?
- Check with your insurance company to see if there are requirements or any waivers needed.
- Are we going to require volunteers to be vaccinated?
