

Los Ranchos Presbytery Pastors Retreat February 10-12, 2020 Serra Retreat Center, Malibu

Wandering in the Wonder

Are you eager for a few days of learning, spiritual renewal and time spent with friends and colleagues? Come and wander with us as we explore our participation in the grace of God. Our speaker, Cynthia Rigby, Austin Seminary's W. C. Brown Professor of Theology, will help us discover ways of doing ministry with more wonder and imagination. According to Karl Barth, "all of our work is play when done before the sovereign God."

Our time together will include the usual mix of laughter, conversation, worship, theological reflection, good food and strengthening friendships.

The retreat starts Monday afternoon and continues through Wednesday morning. This year we've added the option of an extended retreat. You can check-in, for an additional fee, on Sunday after three o'clock in order to enjoy the full day on Monday.

Online registration is open now through January 31 at

Sponsored by the Pastor Nurture Committee of the Los Ranchos Presbytery.
