

An Open Invitation to All Women

to join with other women — not just across Los Ranchos Presbytery but possibly throughout the US — as we study the *Horizons 2021–2022 Bible Study What My Grandmothers Taught Me: Learning from the Women in Matthew’s Genealogy of Jesus*, by Merryl Blair.

Become Connected!! Even If Your Church Is Offering The Same Study, Each Discussion Group Is Unique; And Everyone’s Experience, While Personal, Is Also Familiar. Participate in a unique opportunity to grow more in faith, make new friends, and discover our commonalities and connections by sharing, praying, laughing, studying and just being who God created us uniquely to be — without even leaving our homes.

Tamar, Rahab, Ruth, Bathsheba, and Mary — Matthew names these women for a reason. How might Jesus have heard the stories of his grandmothers? What might the young Jesus have felt as he heard about his family? What might the stories of these women have added to his sense of identity, as part of a particular family in a particular time and place?

Have you thought about Jesus’ grandmothers? What can these Grandmothers-of-the-Faith teach us? Their stories will lead us into the gospel, the good news about Jesus Christ. By exploring these stories together, we will have a richer idea of what the good news is.

Merryl Blair teaches at Stirling Theological School in Melbourne, Victoria, Australia, and is active in the worldwide ministry of women of faith.

TWO OPPORTUNITIES: The first or third Wednesday morning of each month from 9-11 AM by ZOOM, October thru June. Don’t know how to ZOOM? JOIN and WATCH with a friend who does.
