

COMMITTEE ON PRESBYTERY ADMINISTRATION
APPLICATION FOR EMERGENCY REPAIRS/MAINTENANCE WORK

Funds are held by the Committee on Presbytery Administration (CPA) for emergency church repairs or maintenance work that is crucial to carry on the ministry of a congregation. As long as we have funds available we will try to assist congregations for those reasons. These funds are not to be used for general repairs or maintenance. All non-emergent ministry program grant requests should use the "Ministry Program Grant" application through CCVT instead. Applications must include pastor and clerk of session signature, and date of Session approval in order to be considered. Financial Disclosure Form should be included as well.
