Christ the King Sunday this Sunday

Hoping to celebrate the lordship of Christ in a world of increasingly secular and non-Christian empires, Pope Pius XI inaugurated a Sunday dedicated to Christ as King in 1925. Originally Roman Catholics celebrated Christ the King on the last Sunday in October, to precede the feast of All Saints, but also to counter the Protestant celebration of the Reformation. When the Roman Catholics proposed the three-year lectionary after the Second Vatican Council, Christ the King was moved to the final Sunday of the liturgical year. The Revised Common Lectionary (that we use in the ELCA) has retained the festival. Its emphasis on the eschatological majesty of Christ leads well into Advent.

This week's Bible story is another parable that Jesus told "The Sheep and the Goat" (Matthew 25:31 – 46). Please take a few moments to watch this [video](#), I found it enjoyable and it also helped explain the parable. As always remember in the packet there are the lesson pamphlets, activity pages and weekly family page. If your family has been following along each week this should be the last lesson in your Fall Sunday School packet. Be on the lookout for a new packet in the mail with the first lesson fittingly called "Be Ready" for the start of Advent.

The Bible and Handel's *Messiah*
"Glory to God in the Highest"

Many Jews of Jesus' day expected a messiah who would wield political power as an earthly king. In our final session of Part 1, we will explore the ways in which Jesus' messiahship met—and did not meet—their expectations. Please join us for this final look at Handel's Messiah this Sunday during Resurrection Hour at 9:30 am.
