Dear Members and Friends of LCR,

The more things change the more they remain the same. There is still nothing more important a church does than worship God together. It remains the cornerstone of who we are as people of God.

At LCR we have decided to expand our worship experiences and become both more traditional and more praise oriented at the same time. We are greatly blessed to have two gifted Christian musicians leading us in that effort.

Helen Phelps has been our music director for more than 20 years. As a classically trained musician, she is leading us in expanding traditional worship. She has a great gift for building Lutheran liturgies around themes and church seasons. Recently she helped convene a group at LCR to study the meaning of the church seasons and then to create liturgies that reflect what each of those seasons are all about. Already the 8:30 service on Sundays has become more traditional and includes more of the beloved pieces of the Lutheran liturgy like the Creed, the Confession, and the full Communion celebration. Under her leadership, the Celebration Choir has returned to enhance our worship experience, and the Bell Choir will shortly be doing the same thing. Plans are underway to help participants at 8:30 worship to more fully understand and appreciate all aspects of the traditional Lutheran liturgy.

Heather Petero has just started her ministry as our Praise Worship Leader. She is a gifted keyboardist and vocalist who brings with her great experience developing and implementing praise worship. Her energy and passion not only for praise music but also for her deep and profound love for Jesus is compelling and contagious. She has begun praise band rehearsals and has included in those rehearsals a time of spiritual reflection and Christian sharing. She is developing a repertoire of songs that are well known and loved at LCR as well as introducing us to newer and different musical offerings. Heather is currently working with our tech support team to upgrade our current technological capabilities to enhance the quality of our praise worship experiences.

I hope you are as excited about the future of worship and music at LCR as I am! Excellent Christian worship acknowledges the glorious presence of the living God and empowers participants to celebrate that presence by sharing it in the world in which they live. Moving forward with both traditional and praise worship will bless each of us as we even more fully witness to God's love in and for the world. We are greatly blessed to have both Helen and Heather leading us in that direction.

To God be the glory, Pastor Dave

## Children

Hi Guys!

I hope you received your Sunday School material in the mail. If not, did you register for the 2021–2022 Sunday School year? Please note the registration link here in the Weekly on the right column.

This week we are going to read Mark 9:38 – 50, “**Sharing God’s Love.**” After you read the Bible story take a moment to meet some new friends and hear how they share and show God’s love in this [video](#).

### Question:

- When have you been left out?
- How does it feel to be left out?

We show God's love in  
LOTS of ways!

### Try this!

When someone in your family is feeling left out from a huddle, put your hands together in the center of the huddle. Say these five words “**Whoever is not against us,**” as you hold your hands together. Then say these three words “**is for us**” as you raise your hands high. **-Mark 9:40**

**Prayer:** God, help people everywhere know that you are always with them and always love them. Amen.

Have a wonderful week and remember **God’s Love is for Everyone!**

-Ms. Sharon Leon

**Celebration Choir** has started to rehearse on Wednesday evenings from 6:30-8:00 pm.

**Handbell rehearsals** have begun on Mondays from 6:45 -8:00 am.
