*Thank
You!*

Dear siblings in Christ,

I find myself sitting here struggling to find words to express my deep gratitude to you for all that you have done for my daughter, Anna and myself over the past several months. Your prayers have been so appreciated and felt in a deeply comforting way as God has held us both in God's grace throughout this journey.

Recently I was presented with financial assistance comprised of money collected from this congregation to assist Anna and me. When I first heard about this I was overcome with emotion and awe at your incredible generosity and love to a family you had only known for four months! I preached a sermon a couple months ago telling you all that you have been Christ to me on this journey as we are Christ's with and without the apostrophe. You have showered and covered Anna's and my lives with such love and support my words are certainly inadequate to describe it. You continue to be Christ to me on this new and more difficult journey.

One of Brian's and my biggest goals for the next four years was to contribute money to an investment account we had opened to help fund Anna's college education. Without his income I was struggling to figure out how I would be able to bring this goal to fruition, much less even contribute to it. Without even knowing that need or worry existed you all stepped up and filled that need and, I cannot thank you enough. You have blessed us in so many ways, and I thank you with all my heart.

It is a wonderful treasure to serve among you and have a relationship with you during this season of our lives. May God continue to work in and through us in this community that we share.

With deepest gratitude,
Vicar Jamie Witt

Hi Guys!

This week we are going to read a story from the Old Testament **"God's Promise's to Abram"** in Genesis 15:1-12, 17-18. After you read the story in your Bible take a moment and watch this [video](#).

Questions –

- Who is in your family?
- How does God love your family?

Try This!

Go outside at night together and search for stars and constellations. A constellation is a group of stars that, with the help of your imagination, looks like a picture of something else such as a person, a dragon, or even a bear! With an adult, search the internet for a constellation map to help guide you or use a star app on a smartphone or tablet.

Prayer –

Dear God,
Thank you for giving us our family.
Amen.

Have a great week, hope to see you Sunday or maybe at one of the midweek Lenten services.

-Ms. Sharon

Blanket Blessing

On Sunday, February 27 we blessed 120 blankets made by the LCR Blanketeers. These fleece, crocheted and knitted blankets were given to Inspiritus for the Afghan Evacuees. They will also be used for Refugee Resettlement.

Anyone who would like to contribute to the ongoing outreach program may do so by purchasing 2 yards of fleece (child friendly designs) and bringing it to the church. Please wash and rinse twice using no fabric softener. In the past these blankets have been given to the MUST Toy Store, Children's Healthcare and other programs where there are children in need of comfort. Please contact [Marge Mynhier](#) with any questions.

Y.E.L.L.S.

LCR made an annual donation to YELLS—Youth Empowerment Through Learning, Leading, and Serving last year and received Thank you cards from students and staff. In the words of Laura Keefe, YELLS Executive Director, “The past year has

brought many challenges for all us, but thanks to the support of you and our amazing community, we have watched our youth persevere and grow, even amidst challenges. We safely returned to in-person programming in the summer 2021, and are continuing to help our youth combat learning loss, grow their resiliency toolkit, and find creative ways to build community.” YELLS works with the youth in the Franklin Gateway community. To get involved, contact [George O'Donnell](#).

Dear Pastor Dave and LCR,
Thank you very much for your generous donation. In high school I was a “Big” and a couple of weeks ago I saw a “Little” at the store. I believe these are reminders that God places in our lives to remind us we are on the right path and to keep us motivated. Since in high school now working over 20 hours to help support her family and has a high position in her school's ROTC program. I can honestly say YELLS has something to do with how amazing she's doing as a 17 year old.
Because of your contribution, you allow us to continue empowering our youth to work hard and strive for a great life. Thank you for being someone we can count on every year.
With gratitude,
Bridget R. YELLS Alumni + Board Chair

Dear Lutheran Church of the Resurrection,
Thank you so much for the donation we are very grateful that you would consider donating to the YELLS family. Through your donation, you've helped support the activities that we do in YELLS for example during my time at YELLS, I enjoyed opportunity to cook and eat delicious Tater Tot, I also enjoyed playing games such as Jenga with my friends whenever I go to the program after school. Sincerely, Evan 9th grade

Dear Lutheran Church of the Resurrection,
As a YELLS After School Staff Team Member, I would like to personally thank you for your contribution to YELLS. I have the honor of working with the youth in the After School Program daily during this time of virtual programming & I am able to witness them continuing to grow their academic & technology skills. Your support helps to make this possible during this time. Thank you for being a part of our YELLS Family & for your contribution so that we can continue serving our families.
With Gratitude,
Angel Gauthier
