The Vertical & Horizontal Beam

This Lenten season we have been focusing on the cross of Jesus. It is the symbol of the Christian faith because it represents not death but love. The love that God has for every person and part of creation.

Every cross has 2 beams. The vertical beam symbolizes God's relationship with us. It is a relationship based on God's undying love for all of creation. There is no limit to that love. God will do everything in God's power to have that relationship with us - even dying on that cross.

The horizontal beam of the cross symbolizes our relationship with each other. Those relationships too are based on love. Just as God has so loved us, now we are empowered to go and so love each other. The best way to respond to God's love is to go and become what Luther called "little Christs to each other".

The Christian faith is a "BECAUSE...THEREFORE..." faith. Because God has so loved us, we can now go and share that love with each other. And when we do, we honor God and the love God has given us by living it out in our relationships with each other. Such is the power of living our lives beneath the cross of Jesus.

Blessings,

Pastor Dave

Hi Guys!

This is the 3rd week of Lent and our Bible story comes from Luke 13:1 – 9, “**Parable of the Fig Tree.**” Before we get into the Bible story....

Questions –

Do you know what a “parable” is?

A parable is a story Jesus told to help his listeners understand a lesson.

Do you know what a fig is?

Figs are the fruit from a fig tree. The fig tree is a common tree in the Middle East where Jesus lived. If you ever have eaten a Fig Newton cookie, you’ve had fig.

Now let’s read the Bible story and watch this [video](#).

Try this!

Take a trip with your parents to the grocery store or farmer’s market with a pencil and notebook. Identify and draw the fruits you see. Choose one new fruit to purchase and try at home. Color the fruits you drew in your notebook.

Prayer – Dear God,

You help all things grow. Help us to be patient as we wait to grow. Amen.

Have a great week, hope to see you Sunday or maybe at one of the midweek Lenten services.

-Ms. Sharon

Hunger Walk 2022

On Sunday, March 6, 41 people from LCR joined together with thousands of others from across the metro-Atlanta area to raise awareness of food needs in our community through participating in the 38th annual Atlanta Community Food Bank Hunger Walk / Run. It was a beautiful day for a walk, and a great

way to support a worthy cause. The walk event at LCR started with warm up music and dancing provided by Heather and Rachel. It is clear that some of us could use dance lessons.

Together with all the people who sponsored walkers and made donations to the LCR Marietta team, we raised \$7,770 for this worthwhile cause. **Donations are still being accepted through March 31**, so we would appreciate any additional donations as we hope to reach our target of \$8,000 by month-end. See [this link](#) to make a donation. Both the number of walkers and dollars raised resulted in Lutheran Church of the Resurrection being the number one Lutheran Church in the State of Georgia as of the day of the walk. A final total on funds raised will be published after March 31.

Thanks again to the walkers, sponsors and people (Sigrid, Heather, Mark

Brosch) who helped make this another very successful and fun event at LCR. Please make plans to join us next year!

Blessings, Rachel Thornton and Mike Frey
